

Registering Students for the 2011 CRT-Alternate Assessment

- A very small percentage of the population will be administered the CRT-Alt. This form of the CRT is only available to students who have an IEP and who meet the criteria as a student with a significant cognitive disability.
- The case managers need to notify the system test coordinator as soon as possible of the students at each grade level that need to be administered the CRT-Alt. The materials for the CRT-Alt take time to produce, and it is important that this task is not put off until the last minute.
- All students who are eligible for the CRT-Alt must be registered for the 2011 administration including students who have been registered for and taken the CRT-Alt in previous years.
- Guidelines for eligibility for the CRT-Alt are online at http://www.opi.mt.gov/PDF/Assessment/CRT/TA/10How_to_Include_Students_with_Disabilities.pdf
- Below is a table with the registration windows for students eligible for the CRT-Alt. It is extremely important that you register students currently enrolled during the first window. After December 2, the windows are specifically for students newly enrolled in your schools.
